V.)

JAMES J. ACQUAVELLA, et al.,)

Defendants.)

The Referee, in his Report of the Referee, Volume 27, recommended to the Court confirmation of a right to Terrace Heights with a priority date of November 9, 1884. Both the Department of Ecology (Ecology) and the Terrace Heights Irrigation District filed exceptions to the Referee's recommendation, but did not file an exception to the priority date. Ecology and the District entered a stipulation on April 11, 1996. The stipulation contained a typographical error in the priority date. The priority date should be November 9, 1884, not November 8, 1884.

IT IS HEREBY ORDERED that the priority date for Terrace Heights Irrigation District be corrected to November 9, 1884.

DATED this 31st day of October, 1996.
