AMENDED ORDER RE: PACKWOOD
CANAL'S EXCEPTIONS TO
SUPPLEMENTAL REPORT OF REFEREE
SUBBASIN 8 (THORP)

JUN 28 2001

Department of Ecology
Yakima Referee

On January 28, 2000, this Court entered an Order confirming a water right to Packwood Canal Company (Packwood) from the Yakima River for use on Subbasin 8 lands. The right confirmed by the Court identified the point of diversion to be located in the SE1/4NE1/4 of Section 13, T. 18 N., R. 18 E. W.M. Memorandum Opinion and Order at p. 18. The Court's Memorandum Opinion, evidence submitted by Packwood and its RCW 90.14 claim place the point of diversion in the SE1/4NE1/4 of Section 13, T. 18 N., R. 17 E. W.M. Packwood requests that the typographical error set forth in the Court's modification of the Schedule of Rights be corrected.

The Court hereby ORDERS as follows:

The Court's Memorandum Opinion and Order dated January 28, 2000 shall be amended at page 18, line 16. Packwood Canal Company's point of diversion shall be the "SE1/4NE1/4 of Section 13, T. 18 N., R. 17 E. W.M."

The Referee's Schedule of Rights shall be so modified. All other rulings of this Court regarding Packwood Canal Company's water rights shall remain unchanged.

Dated this 21st day of June, 2001.
